This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

In this much needed resource, Maryellen Weimer-one of the nation's most highly regarded authorities on effective college teaching-offers a comprehensive work on the topic of learner-centered teaching in the college and university classroom. As the author explains, learner-centered teaching focuses attention on what the student is learning, how the student is learning, the conditions under which the student is learning, whether the student is retaining and applying the learning, and how current learning positions the student for future learning. To help educators accomplish the goals of learner-centered teaching, this important book presents the meaning, practice, and ramifications of the learner-centered approach, and how this approach transforms the college classroom environment. Learner-Centered Teaching shows how to tie teaching and curriculum to the process and objectives of learning rather than to the content delivery alone.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

This book is a guide to teaching English vocabulary to second-language learners. The book is divided into 30 chapters that teach 240 critical words. This vocabulary includes what English-as-a-Second-Language (ESL), adult literacy, and pre-general equivalency diploma students need to get ahead in today's competitive world. The guide's distinctive features include these: (1) an intensive words-in-context approach; (2) abundant and varied practice; (3) a focus on essential words; (4) sensitivity to students' needs, appealing content; (5) a clear format; and (6) helpful supplements. The guide is one in a series that includes "Building Vocabulary Skills," "Improving Vocabulary Skills," "Advancing Vocabulary Skills," and "Instructors Manual." (JL)

A thirty-day vocabulary building program which includes a pronunciation guide and word origins and histories
