## **Download a Study Pack or Study Guide? – Customer Service**

Customer satisfaction is a part of customer's experience that exposes a supplier's behavior on customer's expectation. It also depends on how efficiently it is managed and how promptly services are provided.

## **What is Customer Satisfaction – Management Study Guide**

To start out, there is one thing you should never forget when working in customer service: it is people you are dealing with; individual beings, each with their unique personality, temper and mannerisms. Hence, you need to be aware whom you are talking to and in which situation and adapt your approach accordingly.
