A charming, practical, and un sentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process

uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The book that inspired Marie Kondo's *The Life Changing Magic of Tidying Up*, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to

discard so you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

The Art of Tidying Up tackles the contemporary issue of de-cluttering your life. This includes not just the physical aspects of de-cluttering a home or a room, but also the emotional clutter that many experience. This book teaches hoarders how to recognize, understand and conquer the emotions and compulsions that lead to clutter. Kim provided smart, practical techniques and methods that can be implemented every day to clear away clutter and keep it away. More than just “the physical stuff”, The Art of Tidying Up blends compassion and critique to create a detailed plan to achieve a minimalist mindset, both physically and emotionally.

In this revised and updated edition of

psychologist and the #1 New York Times bestselling author of *The Life-Changing Magic of Tidying Up*. The workplace is a magnet for clutter and mess. Who hasn't felt drained by wasteful meetings, disorganized papers, endless emails, and unnecessary tasks? These are the modern-day hazards of working, and they can slowly drain the joy from work, limit our chances of career progress, and undermine our well-being. There is another way. In *Joy at Work*, bestselling author and Netflix star Marie Kondo and Rice University business professor Scott Sonenshein offer stories, studies, and strategies to help you eliminate clutter and make space for work that really matters. Using the world-renowned KonMari Method and cutting-edge research, *Joy at Work* will help you overcome

or elaborate. Ideas for content include:

- Lists of your to-dos and to-don'ts -
- Symbols that will make your lists efficient and effective -
- Calendars to plan your day, week, month or year -
- Trackers for your habits and goals (think health, money, travel) -
- Stationery such as washi tape, book darts and more!

The phenomenon that is bullet journaling has led to thousands of journalers sharing their work on Pinterest, Instagram and Facebook. In *How To Bullet Plan*, BuzzFeed editor Rachel Wilkerson Miller tells you everything you need to know to start your own.

Drake, who successfully downshifted his own work life, gives timely advice to help people move from the "fast track" to a more satisfying, less-focused lifestyle.
