About Your Security System - DSC

DSC (Digital Security Controls) is a world leader in electronic security. Since the company's genesis, the experts at DSC have been leading the way. From our revolutionary control panels, to our industry-leading IP alarm monitoring products and now to our sleek, contemporary self-contained wireless panels, DSC has always been front and center ...

DSC - User Manuals

Check for power failure. This is the most common reason for DSC alarms to unexpectedly ring. Check if the lights on the property are working to ascertain if the power is currently on. If the power is out and the alarm is ringing, this indicates that the batteries in the alarm system are dead and need to be replaced.
