Evangelism in the Early Church: Did You Know? FOR MORE THAN 150 YEARS after the Resurrection, Christians had no official church buildings. During this time, evangelism was conducted mainly in homes, in the context of worship and Christian education. Itinerant evangelists were rarely found in the early centuries.

Evangelism in the Early Church - MICHAEL GREEN : Eerdmans

Early Christians appeared to demonstrate great creativity manifest in the ways they continually sought to share the gospel. This should inspire all who read the New Testament to look for fun and creative ways to make Christ known to others. Early Christians were not willing to let fear keep them from the joy of telling others about Jesus.

Renew your evangelistic vision with this fully revised edition of Michael Green's comprehensive evaluation of evangelism in the early church. He concentrates mainly on the New Testament period but also provides a topical treatment of evangelism up until t

How and why did the early church grow in the first four hundred years despite disincentives, harassment, and occasional persecution? In this unique historical study, veteran scholar Alan Kreider delivers the fruit of a lifetime of study as he tells the amazing story of the spread of Christianity in the Roman Empire. Challenging traditional understandings, Kreider contends the church grew because the virtue of patience was of central importance in the life and witness of the early Christians. They wrote about patience, not evangelism, and reflected on prayer, catechesis, and worship, yet the church grew--not by specific strategies but by patient ferment.

"Evangelical Hospitality: Catechetical Evangelism in the Early Church and Its Recovery for Today describes a church that has lost touch with its deep memory of evangelization, the recovery of that memory in catechetical ministry, and the practices this recovery spawns in the Church. After describing the social construction of faith communities, the book examines four core practices that are entailed in creating cultures of faith - places where believing in Christ becomes plausible and possible. *Evangelical Hospitality* concludes with perennial principles from Christian communities that learn to construct faith cultures." --BOOK JACKET.

For the Church Fathers, friendship was at the heart of the Gospel. It was the way to salvation and the most effective means of evangelization. God had taken flesh in order to befriend mankind. Jesus had called his Apostles friends. The first Christians, in turn, spread salvation through friendships of their own. Evangelizing the world was done through one friend bringing another into the Church—where both could be friends with God. Friendship and the Fathers brings together, for the first time, the Fathers' doctrine and stories of friendship—mostly in their own words. You'll meet many giants of the early Church, including Minucius Felix, and walk with him as he brings a pagan friend to faith. Basil and Gregory, best friends from school whose friendship was shattered and then restored. Ambrose, who encouraged his clergy to cultivate strong friendships. Augustine, whose grief for a lost friend led him to profound insights—and whose friendship with St. Jerome was fraught with emotional baggage. Rabanus Maurus, the great biblical commentator and writer of hymns, whose counsels on friendship have never before appeared in English.

The *Study of Evangelism* collects thirty groundbreaking essays on the practice of evangelism into a single volume in order to enhance serious theological and contextual engagement with this aspect of the church's mission in the world. The book lays a solid, scholarly foundation for future discourse, speaking to all who practice and study evangelism from many different Christian perspectives. By offering these thoughtful essays, Paul W. Chilcote and Lacey C. Warner aim to encourage reflective and open dialogue about the practice of evangelism within the community of faith. Contributors: William J. Abraham, Mortimer Arias, David J. Bosch, Carl E. Braaten, Walter Brueggemann, Paul W. Chilcote, Orlando E. Costas, Darrell L. Guder, Stanley Hauerwas, George Hunsberger, Bill J. Leonard, Walter L. Liefeld, Samuel Palma Manriquez, Jesse N. K. Mugambi, Lesslie Newbigin, Mercy Amba Oduyoye, Jerry Persha, Stephen K. Pickard, Dana L. Robert, Letty M. Russell, Ronald J. Sider, John Stott, J. Patrick Vaughn, Alexander Veronis, John H. Westerhoff, Hwa Yung.

Why is the church a mile wide but only an inch deep? The remedy lies in translating wisdom from the past into the future.

Balanced, comprehensive survey of the critical questions involved in studying the four Gospels In this book, through a distinctive evangelical and critical approach, Michael Bird explores the historical development of the four canonical Gospels. He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and, in turn, how these accounts further shaped the early church. Bird's study clarifies the often confusing debates over the origins of the canonical Gospels. Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus -- the story by which they believed they were called to live. *The Gospel of the Lord* is ideal for students or anyone who wants to know the story behind the four Gospels. Watch an interview with Michael Bird from our Eerdmans Author Interview Series:

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “ cold case ” : it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers ’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct nothing could have larger implications for how the modern church engages in mission. In this book, Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward-directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue, judiciously handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward-directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline.
