lives renewed and transformed. This is the first book published by Faith Fowler's latest entrepreneurial venture. Cass Community Publishing House is the first interfaith publishing house established in the city of Detroit in more than two centuries—since Father Gabriel Richard, a Catholic priest and co-founder of the University of Michigan, hauled the first printing press into Detroit and invited his Presbyterian friend the Rev. John Monteith to publish with him. Like Richard and Monteith before her, Faith Fowler's work is one reason that Detroit is recognized as a center of hope for those who believe peace is possible in our ever-more-diverse world. Mitch Albom urges: "Everyone, religious or not, should read these pages."
