Booked for Christmas, a novella from debut author Lily Menon, is sure to get readers in the holiday spirit! Novelist Sophia Hart (real name: Sophie Bartholomew-Kaur-Hughes, but try fitting that on a book cover) absolutely hates her loudest critic—Evan Wolfe, evil mastermind behind the Lone Wolfe book review column. They've never met, but Wolfe's favorite pastime seems to be dumping on Sophie's unapologetically happy, magical romances. Sophie, not one to be left behind, gets her revenge in her own ways (never annoy a writer in search of a villain). When Sophie decides to throw a holiday party at her cabin, Wolfe is the last person on her mind. But the universe has a twisted sense of humor. Not only does Wolfe show up as someone 's plus one, but a massive snowstorm blows in, stranding them both alone together in Sophie 's cabin. Over the next few days, Sophie begins to realize that Wolfe isn 't as odiously cynical a man as she 'd originally thought. In fact, he 's kind of...sweet. And impossibly hot. But still, Sophie 's been hurt before and she has so much to lose. What she needs is one sure sign that she and Wolfe are meant to be together. Will Sophie and Wolfe get their Christmas miracle?

By definition, winning means that you competed and you came out ahead. Human nature requires us to compete in order to survive. Therefore, winning and survival have the element of success in common. To ascend to a winning position, you need a goal, a desire to achieve it, and the qualities of discipline, perseverance and action to attain it. Having your goal and setting yourself up to achieve your goal is the first step in the process. You adjust your mindset and begin to plan diligently. Goals may be as different as DNA, but methodologies have much in common. Furthermore, your plans and expectations will need adjustments as you go along. That is why the knowledge shared by the CelebrityExperts(r) in this book will be of importance to you. The advice and suggestions of these CelebrityExperts(r) are based on their experiences - both their accomplishments and their shipwrecks. The knowledge they share will allow you to make plans that can propel you in the right direction. That is the function of a mentor - to guide you where you are going and to advise what to avoid. If you wish to develop The Winning Way to your goals, read on... You will never win if you never begin. Helen Row

Some promises are forever... Hugh McInnis, trying to escape the past and the present finds himself at an auction, his attention fixed on a Norwegian beauty intended for the highest bidder. He wished he could say what possessed him to bid on Dalla. Dalla was intended for a convent—punishment for disobeying her father—until her uncle intercepted her journey and put her up for auction. A stubborn quiet Norwegian woman and a grumpy Highlands man have no business traversing the landscape. Not
