In this mood of mind I betook myself to the mathematics and the branches of study appertaining to that science as being built upon secure foundations, and so worthy of my consideration. (2.10) Something about the way Frankenstein describes this makes it sound like he's a player jumping around from woman to woman looking for one who's "real."

For a novel about creating life, Frankenstein doesn't talk much about religion. Here, though, we get a glimpse of an alternative moral structure: Christianity, which is all about turning the other cheek and avoiding revenge. Would the novel have turned out differently if Victor had listened? Chapter 16
