These are the answer keys to the tests provided for French 1. These tests include two tests per chapter, plus a final exam at the end of the book. In each chapter, the first test focuses on the student s understanding of structure. It incorporates recognition of vocabulary, competency in using grammar, and a listening section. The second test in each chapter focuses on the student s ability to communicate, both orally and in writing. It begins with the student reciting a verse of Scripture, proceeds to some conversation with the teacher, and ends with a written exercise. The final exam includes aspects from both the structure and communication tests."
