In the summer of 1974, a fourteen-year-old girl in Dolton, Illinois, had a dream. A dream to become an actress, like her idols Ron Howard and Vicki Lawrence. But it was a long way from the South Side of Chicago to Hollywood, and it didn't help that she'd recently dropped out of the school play, The Ugly Duckling. Or that the Hollywood casting directors she wrote to replied that "professional training was a requirement." But the funny thing is, it all came true. Through a series of happy accidents, Jane Lynch created an improbable--and hilarious--path to success. In those early years, despite her dreams, she was also consumed with anxiety, feeling out of place in both her body and her family. To deal with her worries about her sexuality, she escaped in positive ways--such as joining a high school chorus not unlike the one in Glee--but also found destructive outlets. She started drinking almost every night her freshman year of high school and developed a mean and judgmental streak that turned her into a real-life Sue Sylvester. Then, at thirty-one, she started to get her life together. She was finally able to embrace her sexuality, come out to her parents, and quit drinking for good. Soon after, a Frosted Flakes commercial and a chance meeting in a coffee shop led to a role in the Christopher Guest movie Best in Show, which helped her get cast in The 40-Year-Old Virgin. Similar coincidences and chance meetings led to roles in movies starring Will Ferrell, Paul Rudd, and even Meryl Streep in 2009's Julie & Julia. Then, of course, came the two lucky accidents that truly changed her life. Getting lost in a hotel led to an introduction to her future wife, Lara. Then, a series she'd signed up for abruptly got canceled, making it possible for her to take the role of Sue Sylvester in Glee, which made her a megastar. Today, Jane Lynch has finally found the contentment she thought she'd never have. Part comic memoir and part inspirational narrative, this is a book equally for the rabid Glee fan and for anyone who needs a new perspective on life, love, and success. WITH A FOREWORD BY CAROL BURNETT

The hilarious and inspiring story of how Jane Lynch changed from a real-life Sue Sylvester to the happy and fulfilled actress she is today.

Glee actress Jane Lynch takes a look at bullying head-on in her first picture book. Marlene is the self-appointed queen of the playground, the sidewalk, and the school. She is small but mighty . . . intimidating! Known for her cruel ways, the little Queen of Mean has kids cowering in fear—until big Freddy stands up to her and says what everyone has been too fearful to say. In Seussian rhyme, actress Jane Lynch, clinical psychologist Lara Embry, and former children ’ s book editor A. E. Mikesell gently and comically depict the undoing of a bully and her efforts to reform. Tricia Tusa ’ s charming illustrations make the story an even more accessible conversation starter for all ages.

This enhanced edition includes an exclusive video: Jane takes you (the reader!) on a video tour through her actual childhood scrapbook for a behind-the-scenes look at her life that you can't get anywhere else! Watch as Jane explains the missteps she took to get where she is today, with hysterical photos, letters, and stories to back it up. As Mary Richards ’ s lovable and self-deprecating best friend Rhoda Morgenstern on *The Mary Tyler Moore Show*, Valerie Harper, too, turned the world on with her smile. Viewers could relate to Rhoda, native New Yorker and struggling working girl, who was unlucky in love and insecure about her weight but who always kept her sense of humor. Valerie was an unknown actress when she won the part that made her famous, and by the time Rhoda, her popular spin-off show, ended, she had won four Emmys and a Golden Globe. The role was groundbreaking. On-screen, she represented a self-reliant new identity for women of the 1970s while off-screen she fought alongside feminists Gloria Steinem and Bella Abzug for equal rights, among other issues that were important to her. Valerie ’ s showbiz journey has taken her from Broadway, where she performed as a dancer and eventually found herself onstage with Lucille Ball and Jackie Gleason, to Hollywood, where she went down in history as one of television ’ s best-loved characters, and back to the Great White Way, where she recently won a Tony Award nomination for her critically acclaimed role as Tallulah Bankhead. Her inspiring story is laced with triumphs and a few transformative obstacles along the way, but she remains upbeat and funny throughout, always confident that no matter what, she ’ s going to make it after all.

The former *Saturday Night Live* comedienne recounts her midlife career slump, long-distance relationship, and unplanned motherhood, which culminated in uproarious childcare activities and the bewilderment of friends and family members.

Jane of Lantern Hill Lucy Maud Montgomery *Jane of Lantern Hill* is a novel by Canadian author L. M. Montgomery. The book was adapted into a 1990 telefilm, *Lantern Hill*, by Sullivan Films, the producer of the highly popular *Anne of Green Gables* television miniseries and the television series *Road to Avonlea*. From the bestselling author, beloved television host, and “ arbiter of style and good taste in all areas ” (People) comes a hilariously candid, deliciously snarky collection of essays about his journey from awkward kid to slightly-less-awkward adult. Clinton Kelly is probably best known for teaching women how to make their butts look smaller. But in *I Hate Everyone, Except You*, he reveals some heretofore-unknown secrets about himself, like that he ’ s a finicky connoisseur of 1980s pornography, a disillusioned critic of New Jersey ’ s premier water parks, and perhaps the world ’ s least enthused high-school commencement speaker. Whether he ’ s throwing his baby sister in the air to jumpstart her cheerleading career or heroically rescuing his best friend from death by mud bath, Clinton leaps life ’ s social hurdles with aplomb. With his signature wit and relatable voice, he shares his unique ability to navigate the stickiest of situations, like find true love in a crowded gay bar or deciding whether it ’ s acceptable to eat chicken wings with a fork on live television (spoiler: it ’ s not). Clinton delves into all these outrageous topics—and many more—in this thoroughly unabashedly frank and uproarious collection.
