The Portraits series fills one of the longtime gaps in student-level piano repertoire by presenting colorful, fun-to-play pieces in jazz, blues, rock and other popular styles. Portraits invites you on a guided tour through the music of various artists in these styles, exploring what gives each artist his or her own special sound, while the progressively arranged original pieces allow you to try out these styles on your own. Each piece is accompanied by a biography and photo of the artist who inspired it, listening suggestions and specially tailored preparatory exercises. While the Portraits books are recommended for students age 12 and older, younger musicians will certainly enjoy playing the pieces under the guidance of a teacher. The Portraits series is designed to complement all popular piano methods, including adult methods.

Rhiannon Thomas's dazzling debut novel is a spellbinding reimagining of what happens after happily ever after. Vividly imagined scenes of action, romance, and political intrigue are seamlessly woven together to reveal a richly created world . . . and Sleeping Beauty as she's never been seen before. One hundred years after falling asleep, Princess Aurora wakes up to the kiss of a handsome prince and a broken kingdom that has been dreaming of her return. All the books say that she should be living happily ever after. But as Aurora understands all too well, the truth is nothing like the fairy tale. Her family is long dead. Her "true love" is a kind stranger. And her whole life has been planned out by political foes while she slept. As Aurora struggles to make sense of her new world, she begins to fear that the curse has left its mark on her, a fiery and dangerous thing that might be as wicked as the witch who once ensnared her. With her wedding day drawing near, Aurora must make the ultimate decision on how to save her kingdom: marry the prince or run.

Until recently, Zoey Redbird was an average high-school student worrying about grades, boys, and breakouts. *Place examines the ambiguity of rape law by presenting cases where guilt lies uneasily. She explores larger ethical questions of what defines guilt, what is justice, and what is considered just punishment. Assuming a society can and must be judged by the way it treats its most despicable members, The Guilt Project looks with unflinching eyes at the way the American legal system defines, prosecutes, and punishes sex offenders. In our new era of Dateline justice, are we vigilant or just vigilantes?"--Jacket.

Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 195 countries and fourteen territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide. The Freedom in the World political rights and civil liberties ratings are determined through a multi-layered process of research and evaluation by a team of regional analysts and eminent scholars. The analysts used a broad range of sources of information, including foreign and domestic news reports, academic studies, nongovernmental organizations, think tanks, individual professional contacts, and visits to the region, in conducting their research. The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights, and these standards are applied to all countries and territories, irrespective of geographical location, ethnic or religious composition, or level of economic development.
