Part textbook and part comic book, zine, manifesto, survival guide, and self-help manual, Extra Bold is filled with stories and ideas that don't show up in other career books or design overviews. □ Both pragmatic and inquisitive, the book explores power structures in the workplace and how to navigate them. □ Interviews showcase people at different stages of their careers. □ Biographical sketches explore individuals marginalized by sexism, racism, and ableism. □ Practical guides cover everything from starting out, to wage gaps, coming out at work, cover letters, mentoring, and more. A new take on the design canon. □
