from the agonizing nightmare of her mother's funeral, and assesses her life: she's a twenty-nine-year-old woman in a dead-end job, with an ex-husband in Atlanta, a married lover in the hospital, and a virtual stranger in her bed. But this stranger is everything the previous men in her life weren't: tender, attentive, and adventurous. After convincing Jamie to quit her miserable job and ditch her judgmental, perfectionist sister, Ralph proposes a romantic getaway. While Jamie wonders if this thrilling man might finally be her Prince Charming, they plan a road trip to visit his son, who lives with his mother on a street called Mad River Road. As riveting and beguiling as Joy Fielding's previous novels, *Mad River Road* is a tale of courage, truth, and the need to trust one's instincts.

master of domestic suspense.”—Samantha M. Bailey, USA Today and #1 national bestselling author of *Woman on the Edge* Someone on this quiet, unassuming cul-de-sac will be shot dead in the middle of a sultry July night. Will it be Maggie, the perfectionist wife, or Craig, the husband who can't quite live up to her expectations? They've packed up their two children and fled their life in California, hoping for a fresh start in Florida, only to find the demons of the past hovering on their doorstep. Maybe it will be Nick, a highly respected oncologist, or his wife, Dani, a successful dentist, both with well-kept secrets of their own. Or perhaps the victim will be Julia, an elderly widow, whose troubled grandson has recently moved in with her, introducing unsavory habits and even more unsavory acquaintances into her formerly quiet existence. Then there's Olivia and her husband, Sean. Having lost his job at a prestigious advertising agency, Sean is depressed, resentful of his working wife, and drinking heavily. He is also prone to increasingly violent fantasies. And what of the newlyweds, Aiden and Heidi, whose marriage is already on the rocks, due to Aiden's reluctance to stand up to his intrusive mother? Matters aren't helped when Heidi befriends Julia's grandson, setting the stage for a major blowup. A diverse group of neighbors, to be sure. Yet all harbor secrets. All bear scars. And all have access to guns. Not all will survive the night.

From the New York Times bestselling author of the “edge-of-your-seat read” (Karen Robards, New York Times bestselling author) *Someone Is Watching*, a chilling story of a woman whose tranquil life is shaken when a mysterious young woman enters her life. Terry Painter enjoys her quiet life in Delray, Florida, living alone in the house she inherited from her mother. When young, vibrant Alison Simms rents the cottage on her property, the two women strike up a fast friendship—and Terry is swept into a fantastic new life: dinners out, shopping, makeovers, and even potentially dating a handsome young man. But nothing about her newfound companion is as it appears and soon, Terry is in a race against time to reclaim her own life back. With Joy Fielding’s page-turning and suspenseful prose, she “tests the complex ties that bind friends and family, and keeps readers wondering when those same ties might turn deadly” (Publishers Weekly).

From the New York Times and internationally bestselling author of *Mad River Road* comes a spine-tingling thriller about a picturesque Florida town -- and the killer determined to prey on its teenage girls. Welcome to Torrance, Florida. Population: 4,160. As Sheriff John Weber would attest, the deadliest predators to date in his tiny hamlet were the alligators lurking in the nearby swamps. But that was before someone

abducted and murdered a runaway teenage girl...and before the disappearance of popular and pretty Liana Martin. The pattern is chilling to Sandy Crosbie, the town's new high school English teacher. With a marriage on the rocks, thanks to her husband's online affairs, and a beautiful teenage daughter to protect, Sandy wishes she'd never come to the seemingly quiet town with shocking depths of scandal, sex, and brutality roiling beneath its surface. And as Sheriff Weber digs up more questions than answers in a dead-end investigation, one truth emerges: the prettiest ones are being targeted, the heartstoppers. And this killer intends to give them their due.... Alternating between the chilling journal entries of a cold-blooded murderer and the sizzling scandals of small-town life, Heartstopper is Joy Fielding's most exciting novel of suspense yet.

She's searching for the man who killed her daughter. But will he find her first? In a novel that grips like a waking nightmare, master storyteller Joy Fielding creates a searing examination of a horrifying crime, the limits of the law, and a woman's terrifying journey into a killer's twisted mind. In one tragic afternoon everything changed. Until then, Gail Walton had considered herself lucky. With a successful husband, two daughters, and a house in the New Jersey suburbs, Gail lived a safe and

predictable life. Then the unthinkable happened: her six-year-old daughter Cindy was abducted, sexually assaulted, and murdered. Consumed by grief and rage, Gail has retreated into herself. Her family and friends fear she's losing her grip on reality. The police warn her to let them handle the investigation. But not one of them knows the truth: that Gail has a description of the killer, a plan to set herself up as a decoy, and a room in a run-down boardinghouse. And Gail Walton has just bought herself a gun....

Casey Marshall looks like she has it all; a successful interior design business, a devoted husband, friends who love her, and a family fortune that means a comfortable lifestyle. But looks can be deceiving. Casey has more than her fair share of worries. A successful business partnership with her long-time friend, Janine, ended when Casey left to pursue her dream of interior design. The effects of this old wound are felt in their mutual friendship with another friend, Gail, leaving the previously happy threesome feeling uneasy. Casey not only worries about her damaged friendship with Janine, but also her complicated relationship with her younger sister, Drew. After the deaths of their parents, Casey became responsible for her sibling, both financially and emotionally, creating a rift that has only deepened with time. The only salvation from these worries is her marriage to Warren. Successful, handsome, and completely enraptured by his wife, her husband is the perfect reward for a life that, contrary to what some believe, hasn't always been smooth sailing. Before they married, Warren had even insisted on a prenuptial agreement that meant he would receive none of Casey's considerable family fortune should they divorce. She trusts him completely and now thoughts of starting a family are beginning to take hold. Distracted by thoughts of a baby, Casey didn't hear the car until it was too late. It slammed into her at almost fifty miles an hour, breaking

nearly every bone in her body and plunging her into a coma. Lying in her hospital bed, Casey slowly begins to realize that although she is unable to see or communicate, she can hear everything that goes on around her. She soon discovers that her friends aren't necessarily the people she thought them to be – and that her accident might not have been an accident at all. As she struggles to break free from her living death, she begins to wonder if what lies ahead could be even worse.
