To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

A compilation of quotations and proverbs from the most enlightened, intelligent, and forward thinkers in human history regarding the most important aspects of life. Compiled and arranged to give the reader a clear direction in their life based on their internal needs, wants, and desires. While no one on Earth is special, everyone is unique. Nobody past, present, or future has gone through or has had the same thoughts and experiences as you, nor will they in the future. As a result, you see the world in a completely unique way. Studying these volumes will guide your

mind's eye in distinguishing the most significant passages to you and your being as well as reaffirming or contradicting what you already know and believe, by the wisest people throughout history. Out of the thousands of quotes and proverbs within these volumes, your personality will subconsciously pick out the most relevant quotes and proverbs to you and you alone. It would be a mistake to concentrate on only one topic because all the subjects are connected to aid you in reaching your own epiphany. Many of the most profound quotes and proverbs are recorded under various topics throughout the book. Though you may only be interested in "Success & Failure," many of the quotes and proverbs attributed to success can also be found under "Leadership," "Attitude," or even "Life, Purpose, & Growth," for example. The aim of this huge collection of human wisdom is enlightenment: to assist the readers in realizing what is truly important in life, as well as to find their true self; to shatter the illusions that everyone builds for themselves through false assumptions and stereotypes; to find their true inner being; to find purpose; and, most importantly, to discover what makes them and them alone happy. To receive the full benefit of these volumes and to fully immerse yourself in self-discovery, you must commit to studying the entire collection. If you only want to scratch the surface of what is important in life, then limit yourself to a single volume. But if you want to master your true purpose, then study all four volumes.

"This beautifully illustrated gift edition of Heart Thoughts is a collection of meditations, spiritual treatments, and excerpts from my lectures. It focuses on aspects of our day-to-day experiences, and is meant to guide and assist you in particular areas where you may be having difficulty. It is now time for you to release old beliefs and old habits, and the meditations and treatments within these pages can help you build your confidence as you make necessary changes in your life. This is a time of awakening. Know that you are always safe. And also know that it's possible to move from th.

"AN EXTRAORDINARY VOYAGE THROUGH THE LABYRINTHS OF CONSCIOUSNESS! In A Journey to Oneness--the long-awaited sequel to the spiritual classic, Oneness--Rasha takes us on a fascinating seven year odyssey, as she shares the incredible story of her own spiritual journey. With the profound wisdom of Oneness (the Divine Presence many refer to as "God") to light the way, this vivid literary tapestry gives us a candid glimpse into the depths of the awakening process and takes us for an authentic ride on the roller coaster of spiritual transformation. The loving words of Oneness, woven throughout, convey a deep sense of the sacred. And the simple act of reading becomes a life changing Divine encounter that each reader shares on an intimate, personal level. Rich with Divine insight, A Journey to Oneness gives us a vibrant new vision of the nature of humanness and an in-depth guide to discovering the Divinity within. Here, in one woman's unforgettable spiritual adventure, is the key to the actual experience of Oneness--the God within us all

A practical and empowering approach to the age-old quest to let go of the thoughts and feelings that block happiness, impede change, and hinder self-acceptance Anyone who has dipped a toe into any of the world's spiritual traditions knows that letting go and letting be are key. But how? In this fresh, frank, and powerful guide, Peter Russell allows readers to see that the things we get hung up on are generally not tangible problems in the present, but are instead thoughts, feelings, interpretations, beliefs, or expectations we have about them. These are not actual things; they exist only in our minds. And we can strip these "no-things" of their power and let them go by making a simple change of mind. Russell boils this letting go down to remarkably easy methods of accepting, acknowledging, recognizing, and even befriending what we tend to run from. This paradoxical practice generates peace of mind, fresh perspectives, and wisdom in action. In turbulent times like ours, this

God's number one message to the world: "You've got me all wrong." Inspired by his nine-book Conversations with God series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in What God Said encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his Conversations with God, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Trapped in the dangerous game of Heir Apparent, Giannine is forced to obtain a magic ring, find stolen treasure, solve the dwarf's stupid riddles, and slay a dragon--among other challenges--in order to survive. 20,000 first printing.

The Divinity we all share steps forth to spell out how we've created our nightmares, and how to shift those patterns. This glimpse into the Divine Vision gives the formula for thriving in the uncharted world at whose very edge humanity now stands.
