The author of The Good Detective delivers a gripping and atmospheric new novel in which a cop takes on a harrowing new case and confronts old personal demons. What if the one good thing you did in your life doomed you to die? A hard-nosed real estate baron is dead, and detectives P.T. Marsh and Remy Morgan learn there's a long list of suspects. Mason Falls, Georgia, may be a small town, but Ennis Fultz had filled it with professional rivals, angry neighbors, and a wronged ex-wife. And when Marsh realizes that this potential murder might be the least of his troubles, he begins to see what happens when ordinary people become capable of evil. As Marsh and Morgan dig into the case, it becomes clear that Fultz's death was not an isolated case of revenge. It may be part of a dark web of crimes connected to an accident that up-ended Marsh's life a couple years earlier--and that now threatens the life of a young child. Marsh veers dangerously off track as his search for clues becomes personal..and brings him to a place where a man's good deeds turn out to be more dangerous than his worst crimes.

"The summer of 1960 was the hottest ever for Summit, Wisconsin. For kids seeking relief from the heat, there was a creek to be swum in, sprinklers to run through, and ice cream at Whitcomb's Drugstore. But for Frankie, Viv, and Biz, eleven-year-old best friends, it would forever be remembered as the summer that evil paid a visit to their small town - and took their young lives as they'd known them as a souvenir."--Publisher.

From an Amazon #1 Bestselling Author - over 1 million books in circulation. Secrets and Lies The past has a way of coming back with a vengeance. On an October day in 1949, private eye Dewey Webb's life is turned upside-down when his long-lost father shows up and asks

for Dewey's help. It seems simple: find Gus's friend Len. But is there more to this request than Gus is saying? Dewey puts aside his bitter feelings for the father who abandoned him as a child and begins a hunt for Len, but discovers that Gus and Len have been involved in dangerous illegal activities, and that one of their targets may be after the two men. Things take a murderous turn and Dewey finds himself rubbing elbows with Denver's wealthy and powerful elite while dodging mobsters and searching for his father, who has gone missing. Can Dewey unravel a myriad of secrets and lies to find a killer before he strikes again? A hard-boiled, historical mystery that's great for fans who love a traditional detective crime story with a noir flavor, but without a lot of sex or swearing. Dewey Webb first appeared in the Reed Ferguson mystery, *Back Story*. Pick up a copy of *Back Story* to find out more about this classic hard-boiled detective. The Dewey Webb historical mystery series: - Book 1: *Web of Deceit* - Book 2: *Murder In Fashion* - Book 2: *Secrets and Lies* Great Reviews for the Reed Ferguson private investigator series: Kirkus Reviews: The promising kickoff to Pawlish's comic mystery series, starring far-from-perfect PI Reed Ferguson. Pawlish earns high marks for plot construction, with twists and turns naturally unfolding as Ferguson, inexperienced but not incapable, feels his way through the case. A good-humored mystery series worth following. 5 star review: Oh how I've missed the Sam Spade and Philip Marlowe characters that saw me with a flashlight in the dead of night flipping pages to see what happened next. Thank you Ms. Pawlish for bringing back to life this long-lost art of the detective battling against all odds and getting to the bottom of things. - Maureen with zencherry book reviews The Reed Ferguson mystery series: - Book 1: *This Doesn't Happen In The Movies* - Book 2: *Reel Estate Rip-off* - Book 3: *The Maltese Felon* - Book 4: *Farewell, My Deuce* - Book 5: *Out Of The Past* - Book 6: *Torch Scene* - Book 7: *The Lady Who Sang High* - Book 8: *Sweet Smell Of Sucrets* - Book 9: *The Third Fan* - Book 10: *Back Story* - Book 11: *Night of the Hunted* - Book 12: *The Postman Always Brings Dice* - Book 13: *Road Blocked* - Book 14: *Small Town Focus* - Book 15: coming soon - Kindle Worlds Novella: *Walk Softly, Danger* - short story: *Elvis And The Sports Card Cheat* - short story: *A Gun For Hire* Private Investigator Mystery Series Categories: - Mystery Series - Private Investigator Series - Crime Fiction - Crime Series - Private Detective Novels - historical mystery, thriller & suspense fiction - pulp - hard-boiled - noir - detective - private eye - traditional - historical mysteries

FREE WITH KINDLE UNLIMITED *Small Town Corruption* (A Dana Potter Cozy Mystery) Dana Potter can't believe her eyes when she witnesses a well-to-do woman stealing from a homeless man in broad daylight! Her town of Pippin, Georgia, is tiny and full of southern charm and hospitality. Why, they've hardly had someone litter there since Dana can remember, let alone steal in such a depraved way! Her curiosity, and her indignation, are piqued as she becomes determined to bring the perpetrator to justice. Her little investigation quickly turns into something far more sinister. The closer she gets to the mystery woman, the more she begins to suspect that the woman might not be as evil as she once believed. Over the next few days, Ms. Potter leverages her natural busybody spirit to get to the bottom of the real evil out there. Along the way, she finds herself in situations she never would have imagined: face-to-face with a pistol, hoisting herself into an old sailboat, and reuniting two estranged lovers. A small town. Three unexplained disappearances. One sinister evil. Less than twenty-four hours after the horrific events that forced him to flee his hometown, Lance Brody steps off a bus into a whole different nightmare. The small town of Westhaven seems ordinary on the surface, but Lance can feel the evil lurking in the air ... and it knows Lance has arrived. After meeting two new friends--one of this world, and one of another--Lance learns that young men have been disappearing from Westhaven without a trace. No clues left behind, no answers. Left with no choice but to use his unexplainable gifts--the ones that allow him to see beyond the veil and into the shadows--Lance sets out to restore peace to Westhaven before another boy can vanish ... But the darkness Lance felt the moment he arrived will do everything it can to stop him. No matter the lives lost. *Dark Game* is the first novel in Michael Robertson Jr's supernatural suspense series featuring LANCE BRODY. With a troubled young hero, mysterious foes, and plenty of paranormal action, fans of *Odd Thomas*, *Supernatural*, and the dark unknown are sure to love Lance. Pick up *Dark Game* and join Lance Brody in his latest mystery today!

John Decker left Wolf Haven, Louisiana, to escape the memories of his troubled past, believing he would never return. But after twenty years working for a big city police department, he suddenly finds himself back in Wolf Haven, taking the reigns as the town's sheriff. Expecting to spend his time dealing with the trivialities of small town life, the occasional drunk, cats stuck in trees, and domestic altercations, he instead finds a vicious killer picking off the residents one by one. Scrambling to find answers before anyone else dies, Decker stumbles across an age-old superstition, the Lupe Garou, a terrifying creature conjured from the depths of hell to seek revenge.

Twenty years ago psychic Sarah Summers fled from the evil that lurked in the woods behind her childhood home after it killed most of her family, but a nasty divorce and financial hardships forced her back when nothing else could have. With her son, Jeremy, she returns to her inheritance, her grandmother's dilapidated house, and tries to begin a new life. She meets a police detective, Ben, who falls for her, and she prays her fresh visions of bloodshed and death deep among the dark trees aren't true. Then the murders begin again and Sarah is hurtled back into the familiar nightmare that has haunted her her whole life. The evil in the woods is awake again and this time it wants her last remaining brother, Jim; her son...and her. With Ben and Jim's help can she defeat it this time...and live? \* This was my first ever published paperback novel way back in 1984 and has been a fan favorite, of all my 29 books and 13 short stories, ever since.

From legendary storyteller and #1 bestseller Stephen King, whose "restless imagination is a power that cannot be contained," (The New York Times Book Review) comes a thrilling new novel about a good guy in a bad job. Billy Summers is a man in a room with a gun. He's a killer for hire and the best in the business. But he'll do the job only if the target is a truly bad guy. And now Billy wants out. But first there is one last hit. Billy is among the best snipers in the world, a decorated Iraq war vet, a Houdini when it comes to vanishing after the job is done. So what could possibly go wrong? How about everything. This spectacular can't-put-it-down novel is part war story, part love letter to small town America and the people who live there, and it features one of the most compelling and surprising duos in King fiction, who set out to avenge the crimes of an extraordinarily evil man. It's about love, luck, fate, and a complex hero with one last shot at redemption. You won't put this story down, and you won't forget Billy.

Never lead a widowed shifter cop to his true mate then tell him he can't have her. "If you're looking for a great shifter story, this one will pull you into the series!" Mya Being a single mom is hard. Not dying at the hands of my kids' deadbeat dad is harder. Especially when the shifter elders won't lift a finger to help me. But for my daughters, I'll risk everything for freedom. Even if that means trusting the new cop in town with our protection. And my heart. But loving Rick feels more natural than anything I've ever experienced. It's as if he already knows my soul... Rick A century ago, I lost my breeding partner and unborn babies. Then I walked away from pack life to protect the innocent. A cold murder brought me back and gave me a second chance with the one woman I never expected to find. Mya is my true mate. My wolf knows it. I know it. Only one thing stands in our way. The criminal who kidnapped her from her human life would rather see her dead than with me. And Mya's death isn't something I could bear. So it comes down to kill or be killed. And I have no plans on losing my life or Mya. \_\_\_\_\_ This book is the closed-door version of *Rescued* by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. \_\_\_\_\_ Dana's Note: Welcome to the Shifter World® where primal heroes take on the world to claim their true
