Street Smarts is a worthwhile business book, and I DO recommend this book to anyone interested in entrepreneurial material, however the author played a bit of a deception in the reader. In the beginning he emphasizes that his knowledge of business comes from street smarts, beginning with the lessons he learned on the street from his father.

~~Street Smarts: An All Purpose Tool Kit for Entrepreneurs ...~~

Though some of the anecdotes come straight from his Street-Smarts column, this book is very worthwhile for entrepreneurs, small business owners, and those who want to start a business someday. The book is not an academic work; rather it was written by someone who has been in the trenches and has seen his share of successes and failures.
