2006 SUBARU FORESTER X MY06 WHITE 5 SP MANUAL 4D WAGON ...

There are heaps of threads on the subject, but from my point of view no advanatge in consumption. I have MY06 XS manual. I use 95 regularly and occassional 98. The reason for the use is that I find that engine is less responsive off the line using 91. Maybe psychological but I find the engine just runs and feels better. Save Share. Reply. T.
