Taken for a ride argues that understanding the outcomes of the reform of public transport in Dar es Salaam requires putting its informal and precarious workers at the centre of the analysis. The political attitude of these workers changed from political quiescence and the lack of an organisation representing their interests up until the mid1990s, to their political organisation, in the late 1990s.

African Studies Seminar: Taken for a Ride - Grounding ...

The chapter starts by describing public transport in Dar es Salaam as 'functional chaos'. It then critically reviews two thematic literatures, on African cities and on their informal economies, to reveal that references to chaos, dystopia, and their opposites, order and functionalism, are common. The key argument is that a highly contextual understanding of urban informality and of how ...
