#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK USA Today's top 100 books to read while stuck at home social distancing "I've been a huge Jojo Moyes fan. Her characters are so compelling. . . . It's such a great narrative about personal strength and really captures how books bring communities together." --Reese Witherspoon From the author of Me Before You, set in Depression-era America, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, The Giver of Stars is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is

destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants* The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Additional Praise for *The Book Woman of Troublesome Creek*: "A unique story about Appalachia and the healing power of the written word."—Kirkus "A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."—Karen Abbott, New York Times bestselling author of *Liar Temptress Soldier Spy* "Emotionally resonant and unforgettable, *The Book Woman of Troublesome Creek* is a lush love letter to the redemptive power of books."—Joshilyn Jackson, New York Times and USA Today bestselling author of *The Almost Sisters*
