Intuitive counselor Colette Baron-Reid is renowned for helping people create the purposeful and authentic lives they desire. In this fascinating book, Colette hands you the "magic wand" of your own awareness so that you can begin to perceive your life as a wonderful adventure, and see yourself as an enchanted mapmaker. Enter a deep journey into your inner landscape and meet the imaginary beings that hold the keys to the wisdom hidden in your subconscious: the Wizard of Awareness, the Gentle Gardener, the Bone Collector, and the spirits of the psychological terrain you traverse, who know where to find the treasure in each experience. Discover how to tame the mischievous trickster Goblin, who locks you into old habits. Each of these aspects of your psyche has lessons for you, and each responds to your directions, for you are in charge of your own map. You don't have to feel lost or disoriented in this time of global transformation, or be at the mercy of the winds of change. The Map invites you to boldly claim your power to direct your journey so that you may find meaning, purpose, and joy. Step into the magic,

and harness the extraordinary power within you to shape your destiny.

Wherever you need to go--the Map to Everywhere can take you there. To Master Thief Fin, an orphan from the murky pirate world of the Khaznot Quay, the Map is the key to finding his mother. To suburban schoolgirl Marrill, it's her only way home after getting stranded on the Pirate Stream, the magical waterway that connects every world in creation. With the help of a bumbling wizard and his crew, they must scour the many worlds of the Pirate Stream to gather the pieces of the Map to Everywhere--but they aren't the only ones looking. A sinister figure is hot on their tail, and if they can't beat his ghostly ship to find the Map, it could mean the destruction of everything they hold dear! In New York Times bestselling author Carrie Ryan and John Parke Davis's first installment of a fantastical new series, adventure, magic, and hilarity collide in the treacherous skies and dangerous waters of the Pirate Stream. Heart-pounding escapades and a colorful cast of characters will have readers setting sail through this wholly original and unforgettable tale.

A journey through the realm of the dead. A threat that will change the world. A choice that might save everything—or end it all. As natural disasters sweep Earthside, a mutant army rises in the Borderlands, driven by the dark force behind the Shadow Cartographers. Sienna and the Mapwalker team must use the Map of the Impossible to journey through the realm of the dead and face the nightmare at its heart. But when one of their number is taken and the team begins to break apart, each Mapwalker must face their greatest challenge. Can the Mapwalker team reach the Tower of the Winds before the Shadow claims Earthside? Will Sienna choose Finn — or turn away from the Borderlands forever? Map of the Impossible is book 3 of the Mapwalker fantasy adventure trilogy. The Mapwalker Fantasy Adventure trilogy: - Map of Shadows #1 - Map of Plagues #2 - Map of the Impossible #3

Finding True Magic is the primary training text for the Transpersonal Hypnotherapy/NLP Certification Program offered by the Institute for Therapeutic Learning. Finding True Magic and the Transpersonal Hypnotherapy/NLP trainings are appropriate for laypeople seeking personal growth, as well as for therapists and other professionals intent on advancing their therapeutic skills. In fact, about 50 per cent of ITL students take the training primarily for personal development. This book explores the possibilities for recognizing and freeing ourselves from a destructive process of perceiving, thinking, and acting that can be viewed as a pernicious worldwide epidemic. Unlike other diseases, which we strive to isolate and cure, this insidious fever has a characteristic that makes us blind to its presence: we come to identify its symptoms as our very own true self. We lovingly speak of this disease as our ego, our sense of limited separate selfhood. Jack Elias calls it "egoic-minding," because it is a process, not a thing. Egoic-minding is a fragmented, biased way of perceiving and thinking. It can be viewed as a sort of destructive hypnotic trance that causes us to experience each other as strangers, as different, as threats. The delirium of this trance causes us to do violence to each other and to our world, without ever recognizing that it (our egoic thought process)

is the true enemy. By synthesizing insights and techniques of Eastern and Western philosophy and psychology, Finding True Magic explores various ways to disperse the feverish trance of egoic-minding, heal the trauma it causes, and wake us up to the sacred magic of our true Self. This true inner Self is the wellspring of our capacity for cooperation, community-building, and the celebration of life. Everyone has the right to the make use of the essential insights and dynamics of healing communication, without resorting to the long-term expense of a professional intermediary. The model of such therapeutic relationships has changed in recent years, due to the financial burdens it places on our medical system. Financial considerations aside, however, therapy and therapists should change simply because there is a more effective approach to healing and personal growth. That approach, which is the subject of this book, relies on the inherent goodness of our shared Being, a resource that is surprisingly easy to contact in the space between egoic thoughts. Most of us do not experience that space in the normal course of our thinking, however. We may be surprised to hear such a thing, given our experience of the seemingly impenetrable stream of our thoughts. But this space is quite real. It is the space of Silence, Healing Power, and Insight. We have all experienced this silence on occasion, perhaps through prayer, or in a tender moment of love or awe. Most of us have not been taught, and have remained unaware that this silent Presence is always so close and available. Holistic mind/body therapeutic techniques, such as those presented here, derive transformative power when they help us to tap into this willing Presence, also called Grace.

A place written out of history. A world off the edge of the map. In this fantasy adventure trilogy, Sienna and the Mapwalker team must defend Earthside from the invasion of the Borderlanders and face their darkest challenge against the Shadow. Map of Shadows A map of skin etched in blood. A world under threat from the Borderlands. A young woman who must risk the shadows to save her family. When her Grandfather is murdered under mysterious circumstances, Sienna Farren inherits his map shop in the ancient city of Bath, England. She discovers that her family is bound up with the Ministry of Maps, a mysterious agency who maintain the borders between this world and the Uncharted. With the help of Mila Wendell, a traveller on the canals, Sienna discovers her own magical ability and a terrifying place of blood that awaits in the world beyond. But when she discovers a truth about her past and the Borderlands begin to push through the defenses, Sienna must join the team of Mapwalkers on their mission to find the Map of Shadows – whatever the cost. In a place written out of history, a world off the edge of the map, Sienna must risk everything to find her father ... and her true path as a Mapwalker. Map of Plagues A city threatened by an ancient plague. A love across borders. A desperate choice that could break their worlds apart forever. When a fragment of a deadly map is recovered from a medieval plague pit in London, the Mapwalker team must cross over into the Borderlands once more. In a race against time, they must find the remaining pieces of the map in a journey across long-lost cities before the Shadow Cartographers wield it against Earthside in a devastating attack. Can Sienna resist the call of the Shadow as she struggles to save her home? Will Finn take a risk on love across borders or leave the Earthsiders to their fate? Map of the Impossible A journey through the realm of the dead. A threat that will change the world. A choice that might save everything—or end it all. It's over, or it will be soon. Jason is coming for Beth, and he's bringing the rest of the city with him. With warlocks at her door and the Zero Prophecy looming over her, Beth will have to go it alone. It will be the only way to find out who she is and what's really going on. If she can't find out in time, she'll fall and take the rest of the city with her. Tune in for the exciting conclusion of the Forgotten Destiny series.

Forgotten Destiny: The Complete Series contains all five books of the thrilling, action-packed urban fantasy. She's got powers, and she has to use them to find her future husband before it's too late. This isn't fair. Beth has just found out she's a witch, and in this world, witches are regulated. When her powers are tested, she's pushed into a new job working for a rakish bounty hunter who's charm only just makes up for his arrogance. But if Beth thinks finding bounties for Josh McIntosh is the worst punishment imaginable, she hasn't met Maximus C. Knights yet. He's the most powerful kingpin in town, and he needs her to find something. Specifically? Her future husband. You see, there's a prophecy that says one day a witch just like Beth will come along, and with a little help, she'll save the world....
