## The Philosophy of Existentialism Summary - eNotes.com

Gabriel Honoré Marcel was a French philosopher, playwright, music critic and leading Christian existentialist. The author of over a dozen books and at least thirty plays, Marcel's work focused on the modern individual's struggle in a technologically dehumanizing society. Though often regarded as the first French existentialist, he dissociated himself from figures such as Jean-Paul Sartre, preferring the term philosophy of existence or neo-Socrateanism to define his own thought. The Mystery ...

Existentialism: Gabriel  
Marcel involves a process of recovery, or what Marcel called, in The Philosophy of Existentialism, an assurance of the realm of mystery. Throughout Marcel's work there is an attempt to reveal objective structures of human existence by means of the process of secondary reflection, a process that helps individuals to appreciate and recover defining human experiences.
