Queen of the Underworld, witch Jolie Wilkins, while trying to govern disparate factions of supernatural creatures, is torn between two men--warlock Rand, the love of her life, and Sinjin, a vampire and her sworn protector.

In this sexy and spellbinding original short story, available exclusively as an eBook, bestselling author H. P. Mallory presents the exciting Underworld from a never-before-seen point of view—through the eyes of Rand Balfour, a drop-dead gorgeous warlock and the love of Jolie Wilkins's life. While the undead wage a brutal civil war, Rand Balfour has only one thing on his mind: protecting his true love, Jolie Wilkins, the savvy and spirited witch whose powers have made her the toast—and target—of the new Underworld order. For Rand, keeping Jolie safe means guarding against allies and enemies alike. First there's Sinjin Sinclair, a dangerously seductive vampire who has his fangs set on Jolie, and who Rand suspects of harboring a sinister agenda. Then there are the factions of supernatural creatures causing chaos at every turn. But most shocking is Rand himself, whose wild desire for Jolie may put her very life at risk. Torn between his duty and his passion, Rand must summon all his strength to withstand temptation, even if it costs him the one woman he cannot bear to lose. Follow more of Rand and Jolie's electrifying paranormal romance in this eBook's special bonus: a thrilling excerpt from H. P. Mallory's next novel, *Witchful Thinking*.

Where once factions of creatures--vampires, witches and warlocks, werewolves and fae--all came together, united under the banner of Queen Jolie, now those factions are separate and vying for control. Meanwhile, the witches and warlocks have been separated into two factions: The King's Alliance, commanded by ruthless High Mage, Duine, and The Order of the Templar, a band of rebels, led by Pagan. While Duine seeks to control all witches and warlocks, subjecting them to his tyrannical rule, Pagan wishes to return magic to the hands of the people. Book #6 in the epic bestselling Underworld Series from New York Times bestselling author, HP Mallory Abandoned on the battlefield by the people she calls her tribe, Bryn must face the fact that she is now playing prisoner to the Underworld Queen, who also happens to be her fraternal twin sister. As the days and months go by with no word from the Supreme Elder of her tribe, Bryn thinks her life couldn't get much worse. While Bryn bemoans her imprisonment, her sister, Jolie, is doing everything in her power to ensure that blood ties are thicker than they appear. But Bryn fights the very idea of becoming one with her enemies, although she can't help her attraction to a certain six-hundred-year-old English vampire, Sinjin Sinclair. Once Bryn is placed in Sinjin's care, she'll find herself battling the undeniable magnetism of the vampire, the one creature she despises above all others. Sinjin's quick wit, his undeniable sex appeal, and the mystery that surrounds him all point to the fact that if Bryn falls for him, she'll be in over her head. But, as a warrior through and through, Bryn isn't the type to fall for anything, especially a handsome face. If anyone should be able to withstand the lure of the vampire, Bryn appears to be the likeliest candidate. Of course, looks can be deceiving...
