In *Urbanism Without Effort*, he combines the two in unique fashion to show us how unplanned places can often teach us more about great placemaking than planned ones." Dr. Katherine Loflin, *The City Doctor* "This is a must read for those who want to understand in words and pictures what stands behind great cities. We're proud to see a Seattle native son helping to show the way." Mike McGinn, Mayor of Seattle, founding Executive Director, Seattle Great City Initiative "Wolfe provides something rare in contemporary urbanist writing--rich illustrations and examples from real life--both historical and current.
