## Vitamix Commercial Parts & Manuals | Parts Town

I bought my Vitamix 5000 blender and  
two tops (one for general use and one for  
bread-making) a decade ago and have  
used it more or less regularly (1-3 times  
each week) most of those years. I use it for  
vegetable smoothies and soups as part of a  
vegan lifestyle I began after a health crisis  
all those years ago.
