1953-1964 CJ3B - Engine - Engine Components ... So none of these are Willys manuals? Unusual specs. I just checked my 2 Motors manuals, and Chiltons manual. I can find nothing that says 65-75. All three list 60-65 for years 45 through 49. Then beginning 1950, they call for 60-70. All of which jive with the Willys manuals. I think I'd stick with Willys official specs. Sean
